We, at the Flipkart Group, expect every officer, director, employee, agent, supplier, seller, service provider, involved in any business transaction with the Flipkart Group to understand the basic elements of such laws and regulations and to comply with them at all times.

This Policy must be complied with, and applies to anyone transacting with, or on behalf of, the Flipkart Group. The transaction could be with manufacturers, sellers, service providers, supplier of goods or services to be resold or otherwise.

Sanctions Regulations: -

Prohibited Parties: All persons and entities indicated as blocked persons on the OFAC lists, including **entities directly or indirectly owned, 50 percent or more in the aggregate by one or more blocked persons are also considered blocked.** The following lists should be used for screening of transactions and potential transactions. These lists are:

1. Specially Designated Nationals and Blocked Persons List - As part of its enforcement efforts, OFAC publishes a list of individuals and companies owned or controlled by, or acting for or on behalf of, targeted countries. It also lists individuals, groups, and entities, such as terrorists and narcotics traffickers designated under programs that are not country-specific. Collectively, such individuals and companies are called "Specially Designated Nationals" or "SDNs."
2. [The Consolidated Sanctions List](#) - which includes individuals on OFAC's List of Specially Designated Nationals (SDNs); persons subject to Sectoral Sanctions; as well as individuals identified on other U.S. Government watchlists;
3. Any other list deemed appropriate for screening by Compliance from time to time.

Prohibited Jurisdictions: All transactions (including services) involving Cuba, Iran, North Korea, Syria, or the Crimea region of the Ukraine. These restrictions include transactions with (1) the Governments of Cuba, Iran, North Korea, Syria, or the Crimea region of Ukraine; (2) goods, services or technology going to or from Cuba, Iran, North Korea, Syria, or the Crimea region of Ukraine; and (3) persons located in Cuba, Iran, North Korea, Syria, or the Crimea region of Ukraine.

Sanctions imposed by the Government of India: The Government of India has also imposed certain sanctions under its Foreign Trade Policy. These sanctions include the following:

1. The import or export of arms and related materials from or to Iraq is prohibited (except after procuring a "No Objection Certificate" from the Department of Defense Production); and
2. Direct or indirect import of charcoal from Somalia is prohibited, irrespective of whether such charcoal has originated in Somalia.

Suspicion of a Prohibited Party Transaction and Escalation Requirements:

Flipkart Group and its associates must comply with this Policy to ensure that Flipkart Group is not engaging in transactions with a prohibited party or a prohibited country/territory. A transaction is any:

- exchange of goods, services, or technology;
- payment or receipt of funds; and / or
- contract that binds Flipkart Group.

Whenever any business unit identifies a transaction or potential transaction that involves a potentially prohibited party or jurisdiction, the business unit must immediately notify:

Chief Ethics and Compliance Officer; and
the Group General Counsel.

Recusal Policy for U.S. Persons:

Flipkart Group will implement measures to reasonably ensure that directors, officers, and associates who are U.S. persons will not participate in (including the determination to decline or block) a transaction involving a non-U.S. person that would be prohibited under OFAC sanctions programs if conducted by a U.S. person. Examples of prohibited participation by a U.S. person include, but are not limited to, the following:

Purchase Order PO2114511348

- Altering operating procedures specifically and intentionally to permit a non-U.S. person to conduct business which a U.S. person could not conduct directly;
- Referring business opportunities or matters related to sanctioned countries to non-U.S. persons;
- Forwarding emails requesting action on a transaction involving sanctioned countries, entities, or individuals;
- Participating in meetings where there are discussions related to business, prohibited under OFAC regulations, in sanctioned countries.

A recusal measure occurs where the U.S. person states that he or she is prohibited under relevant law from participating in a particular transaction (this is a "recusal notice"). Non-U.S. persons must respect the U.S. person's recusal notice and must not further involve the U.S. person in the transaction if it proceeds. It is the responsibility of the individual U.S. person to provide a recusal notice when required under the circumstances. Where any question or uncertainty exists about whether a recusal is required with respect to a particular transaction, it is the responsibility of the U.S. person to seek guidance from Compliance and or Legal.
